

PLANNING TO

TRAVEL

INTO OR OUT OF SOUTH AFRICA BY AIR, ROAD, SEA OR RAIL?

Declare goods, including currency, using the South African customs online traveller declaration system before travelling.

Simply follow these easy steps:

- Visit the SARS website at www.sars.gov.za/travellerdeclaration and click on complete declaration. Alternatively, you can use the QR Code below, the SATMS App, SARS MobiApp or the facilities provided by Customs.
- Enter your travel details, specifying whether the trip is personal or for business.
- Provide details of the goods, including currency, you will carry on your trip.
- Submit your declaration.

After completing the Customs online traveller declaration form, a confirmation will be sent to the email address or South African mobile number you provided. Alternatively, you may proceed to Customs Processing area to access your submitted declaration. This confirmation will include instructions on the steps to follow upon arrival at the relevant port or border crossing. Travellers may be required to pay duties and/or value added tax where applicable.

To declare in advance scan the QR Code
or visit www.sars.gov.za/travellerdeclaration

Travellers may approach Customs at the port
of entry for **any assistance** required.
