

SATSA ADVICE NETWORK

Community Guidelines

PURPOSE

- To facilitate the exchange of practical advice and industry insights.
- To create an environment where members can seek guidance and share experiences.
- To enhance the region's tourism industry through collective knowledge sharing.

CONTENT GUIDELINES

- Relate directly to tourism industry advice and insights.
- Contain accurate, verified information.
- Maintain professional standards.
- Foster constructive dialogue.

RULES OF ENGAGEMENT

- **Professional Communication:** Maintain respectful dialogue at all times.
- **Relevance:** Keep discussions focussed on tourism advice and best practices.
- **Quality Contributions:** Provide constructive feedback that adds value.
- **Confidentiality:** Respect privacy and obtain consent before sharing sensitive information.
- **No Spam:** Avoid unsolicited promotions or irrelevant messages.

MODERATION

- SATSA administrators oversee group compliance.
- Members should report guideline violations to administrators.
- Administrators may remove non-compliant content or members.
- Posts violating rules may be removed without notice.
- Repeated violations may result in membership termination.

Individual opinions expressed do not reflect SATSA's official position.

SATSA bears no responsibility for agreements or transactions facilitated through this group.

These terms may be updated to address community needs and legal requirements.

Members will be notified of significant changes. Participation in the group indicates acceptance of these terms, which can be found at www.satsa.co.za
